

## **Prayer To Yahweh-Rohi I Am Your Shepherd**

### Adoration:

Yahweh Rohi, you are my Shepherd! You watch over me and care for me in every area of need! I praise you for that reality!

### Thanksgiving:

Thank you for your Shepherding care in the totality of my life: my physical, social, emotional, and spiritual needs. I don't always see it, but I know that You are always there!

### Confession:

As my Shepherd, you promise to provide for me all that I need. I confess that many times I focus on what I do not have. Forgive me for my often ungrateful and discontented heart. I must seem like an ungrateful child to you at times and I ask your forgiveness and grace.

### Supplication:

Finally, my loving Shepherd, I have so many areas of need. At times they feel innumerable. Please meet my needs in the way and in the time that You know is best. And help me to fully trust your Shepherd's heart. Today I declare my trust in You!

I pray this in the name of Jesus, the Good Shepherd who laid down his life for his sheep. Amen!
